(as had been done on a previous occasion) and adding instead that of Supdt. L.R., Survey & Settlement, the total strength of the cadre remaining at 14 as at present None of the officers now in the cadre, will be affected by this change.

3) Prior to July 1934, the cadre of Dy Comrs. consisted of the following posts

1 Dev Secy to Govt
1 Commr, B.C.M

4) In July 1934, 3 more posts, viz
President, M.C.M.
Director, D&C
Registrar of Coop Societies
This raised the cadre to 14, but in allocating the ~~extra~~ posts among the three classes, all the 3 extra posts were added to the last class so that the number in the I & II classes continues at 4 & 5, while the number in the III class rose to 5.

5) As the post of Director of D & C. is now held by a Deptl officer, it may perhaps be removed from the cadre. Per contra the new post of Secy. Rev Survey may be added leaving the total strength at 14 unchanged. As regards

the allocation of the 14 posts among the 3 classes, it is submitted that though the post of Director of I & C was held by a Senior Dy Comr & that of the Survey Supdt is held by a junior Dy Comr, the existing allocation of 4.5 & 5 may perhaps continue — in view of the fact that when 3 posts were added to the cadre they were all put into the last class thereby affecting adversely the chances of promotion of offrs in the lower classes.

Submitted for order. The Fin. Secy. may be consulted.
